Thanks Rosemary. I attached a document with additional language to consider to resolve the remaining issues. Please let me know what you think, and I'll defer to you and Matt on how best to finalize this.

Tom – I've included responses to Matt's comments in the attached, but noticed that items he flagged represent changes in wording that in some cases change the meaning,

Kelly and Rosemary – Would you please take a crack at addressing Matt's comments, as well making any other edits that are appropriate? Some of the comments are straight forward, but as I wasn't at the meeting I wasn't certain how best to address his last few comments. Thanks, Tom

Here are my comments/edits on the Seminole consultation notes. There is no need to consult with Leif since we are not summarizing our responses to their questions. Happy to discuss if needed.

Thanks,

Matt

Jeaneanne – Please see the latest draft (both clean and marked-up versions) of the notes for the meeting with the Seminole Tribe . I removed all EPA responses to questions from the Tribe, including responses that we provided verbally during the meeting. Matt also plans to get feedback from Leif regarding the notes that relate to ESA, and our goal is to issue these by Tuesday. If you have any comments please let us know. Tom
